Forecast for Tuesday 14 Feb 2023

Weather: Clear spells overnight with a frost in sheltered valleys and also some patchy mist and fog, mainly in the east. Any mist and fog will slowly clear through the morning, otherwise a dry day with bright or sunny spells although high cloud will make the sunshine rather hazy at times. Another dry evening with long clear spells.

Chance of cloud-free hill tops above 600m: 95%.

Low Cloud and visibility: Patchy mist and fog on lower slopes will be slow to clear through the morning. Otherwise, mainly good visibility but the air clarity will be hazy with distant hills obscured from view.
